2006 – 2007 · Deck Cadet	Bocimar Ltd (M/V Conceiver)

EDUCATION

Kyiv State Marine Academy — Specialist, 2015

Odessa National Maritime Academy — Bachelor, 2012

A FEW WORDS ABOUT ME

Free of bad habits, active in sports and martial arts. Continuous learner by nature — that's what carried me from sea career to software engineering, and now into real estate. I treat every transaction with the same discipline a ship's bridge demands: careful preparation, clear communication, and accountability for the outcome.
